
Race equality guidance - seven education priorities

Part of the [Ealing's race equality guidance for educational settings](#). This addresses the seven demands as set out in [Ealing's Race Equality Commission report](#).

We will suggest how schools and early years leaders can proactively respond to each demand. Here are the seven education priorities:

1. **Attainment** - [Rapidly close the attainment gap for Black Caribbean pupils](#)
2. **Exclusions** - [End the disproportionate rate of exclusions](#)
3. **Curriculum** - [Accelerate progress with changes to the curriculum](#)
4. **Staff training** - [Make training for teachers on race equality and unconscious bias part of core training](#)
5. **Parents** - [Empower parents to play an active role in their child's education](#)
6. **Accountability** - [Every school should have a lead for race and diversity who is identified to parents](#)
7. **Leadership** - [Increase the number of Black teachers in leadership roles](#)
