

## Calling all Ealing parents!

30 Apr 2024

**Action for schools:** Please share with parents and carers

We are keen to develop our approach to working with children, young people and their families in terms of how we communicate our offer and how people navigate our services.

As part of this work we are currently carrying out some research with a company called 'Invuse'. Invuse are out in our communities speaking with parents and have developed a short survey to share so we can include more views.

### Complete our survey

If you are a parent/carer to a child under the age of 18 AND you live in the borough of Ealing we would love it if you could complete this quick survey.

Please do also share the link with family, friends and neighbours. The more voices we have in this work the better.
