

Electricity and gas energy contract 2024 - 2028

25 Apr 2024

The current energy contract for gas and electricity with Laser expires 30 September 2024.

The Commercial Hub will be entering a new contract following a tender process for a new contract to be implemented from 1 October 2024 to 30 September 2028 for London Borough of Ealing sites.

Further details will be provided following cabinet approval at the end of June 2024.

Automatic sign up

Schools who are currently signed up with Laser Energy will automatically be signed up to the new contract unless you wish to opt out.

Opting out

For schools that do wish to opt out please inform Laser directly by contacting Laser customer services team 2 - Energy CSTeam2@laserenergy.org.uk by Thursday 16 May 2024.

New contract benefits

- bulk buying so access to highly competitive prices
- aggregated buying gives greater purchasing power in negotiating favourable contract terms and prices with energy suppliers
- fully compliant procurement process saving you the onerous task of having to run your own tender process.
