Cybersecurity information session Friday 24 May 10-10:45am

10 May 2024

Action: Please share with relevant school colleagues.

Following previous successful Cybersecurity drop-in sessions, we are delighted to be able to offer Ealing school's another opportunity to attend a virtual Microsoft Team's interactive drop-in surgery session with Ealing Council's chief information security officer Kevin Griffin.

Online drop in event details

MS Teams session will take place:

Friday 24 May from 10 - 10.45am - link to meeting

Or enter the meeting information found below at this link Join a Microsoft Teams Meeting by ID | Microsoft Teams

Meeting ID: 327 469 859 266
Passcode: fFzdCq

This will be a 45- minute presentation and Q&A session where school staff are welcome to drop in at any time and ask questions relating to cybersecurity directly to Kevin.

Topics for discussion will include:

- ICT security procedures
- Password changes at regular intervals
- Multi factor authentication and regular systems testing
- ICT provider reviews to ensure they are providing adequate levels of assurance and security
- Regular reporting to the head and governors.

Request a calendar invite

If you would like a calendar invite to be sent to you via email to add to your diary, then please contact Tanuj Danee, contract and project manager, by email daneet@ealing.gov.uk
