

SEND workforce survey

03 May 2024

Do you work in SEND or are part of the SEND system in some way? Please complete our anonymous short [Workforce Survey](#) for multi-agency colleagues working with or in SEND, health and social care.

Please complete the survey by 10 May 2024: [RISE SEND Workforce Survey - 2024/25 \(office.com\)](#)

The RISE Partnership (Council for Disabled Children and National Development Team for Inclusion) is designing and delivering training and resources which further develop skills and knowledge across the SEND workforce.

To cater to the needs of the workforce and understand the needs of practitioners and professionals, we have developed a SEND workforce survey. The analysis will inform the design of the training, and we need your input in order for it to be as relevant as possible.

Please include as much detail as possible in your answers to help us understand your own or your team's learning needs.

If you have any questions please contact RISE at rise@ncb.org.uk
