

First Day - A game to help year 6 pupils prepare for the transition from primary to secondary school

06 Jun 2024

An Arts Council-supported project, this game was designed to help year 6 pupils prepare for the transition to secondary school.

It was created in consultation with pupils and teachers of that age group and has received some great feedback.

If any local primary school teachers are interested in understanding the game better, I would be happy to send a free link to play it (for example so that teachers can play it before they decide whether to do it with their class).
