

How to help your child get ready for school

07 Jun 2024

We are excited to share these short videos with early years and primary schools to use with families of pupils starting school in September.

The film, entitled 'How to help your child get ready for school' shares some top tips for parents on supporting their child as they prepare for school.

How to share the video with families

You can:

- Share the YouTube link <https://youtu.be/tp3mlgepvv4>
- Retweet this post from @EalingLearning Twitter account [How to help your child get ready for school tweet](#)

The film was made with the support of staff and leaders at Lady Margaret Primary School and created by [HeyDay](#).

Ealing Learning Partnership's SEN and inclusion team worked with schools, community groups and other partners to produce a series of short films to support parents and carers.

We also have videos for parents focused on families of children with additional needs on a variety of subjects. All videos have translated into a number of community languages to extend their reach to more parents.

Share this guide with your parents: [How to get your child ready to start school](#)
