

ELP vision and shared ambitions evaluation

09 Jul 2024

Headteachers and their leadership team are asked for their feedback on the Ealing Learning Partnership.

ELP vision and shared ambitions survey

We ask all ELP headteachers and stakeholders to complete the vision and shared ambition survey. An invitation email was sent to you directly, most recently on 9 July 2024. You can also access the survey here: <https://www.surveymonkey.com/r/ELP2024vision>

This survey focuses on the strength of schools' engagement, direct participation, and your perception of progress against the partnership's aims, values, and ambitions through the committees for:

- ELP learning and achievement
- ELP SEND and inclusion
- ELP safeguarding and wellbeing
- ELP progression and pathways
- ELP recruitment and retention
- ELP business sustainability.

Completing the survey with your leadership team may also provide a useful opportunity to gather feedback from a range of leaders involved in the partnership's work.

All feedback and progress will be published in a report by the director learning standards and school partnerships in the autumn term.

If you experience any issues completing either survey please contact servicesforschools@ealing.gov.uk
