

Exciting opportunity: Sustainable eco refill shop for your school

08 Jul 2024

Ealing Council have partnered with Pupils Profit to bring Eco Refill shops to 7 schools in Ealing.

Seven schools will be fully funded to take part from September 2024 to July 2025. The refill shop aligns with many of the criteria in the new DfE Climate Action Plans.

Pupils Profit aims to give young people the skills and tools to play a part in tackling the climate and ecological emergency, and be part of the UK's low-carbon circular economy. Pupils Profit support schools in Hounslow, Richmond, Kingston, Essex and Manchester to run shops.

Information pack

Full information can be found in the [ECO refill shop schools information pack](#).

You can also view a [short film explaining how it works](#)

Students will operate their shop which will stock beauty, washing and cleaning products and order more stock using the profits generated.

Interested?

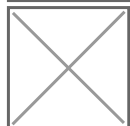

If your school is interested in taking part please complete the attached [expression of interest form](#) and return to info@pupilsprofit.com by Wednesday 10 July.

skills and tools to play a part in tackling the climate and ecological emergency
