

Domestic abuse counselling service for 11-18 year olds

24 Sep 2024

Organisation name : EACH Counselling and Support

Project : Awaaz Young People Service

The service supports young people between the age group of 11 – 18 years old who have witnessed or experienced domestic abuse in their household, this could be past or present.

Young people can be referred by an agency, school, social services etc or they can self-refer themselves as well for up-to 16 free counselling sessions. Our modality is person-centred approach but we do offer creative therapeutic approaches at the moment as well which gives the young people the choice to explore their emotions both verbally and non-verbally.

We offer 1:1 counselling support, this could be online or face-to-face at our Ealing office (Uxbridge Road). We currently do not have a wait-list and are actively accepting referrals. We are unable to accept referrals if the client has attempted suicide in the last 3 months.
