

## Special schools - November EHCP planning list reports now available

13 Nov 2024

**Special schools only** - Pupil level planning lists are now available for your school.

The report is accessible via your school reports page on EGfL:

- Log in to [EGfL](#) and go to **My account** which is located on the top right hand side of EGfL
- Select your **school name**
- **School reports** should be visible under your school address details under **2024/25** > School Place Planning

### About the report

The workbook contains two lists - one for EHCP students who are on a planning list for your school and the other for EHCP students at your school who are on a planning list for another school.

These reports are based on data held within the LA database as of 13 November 2024. We aim for these reports to be refreshed half termly - the next set of lists will be published in January.

If you need access to view school reports ask your headteacher to email EGfL web team to confirm access can be given. Send an email to [egflwebteam@ealing.gov.uk](mailto:egflwebteam@ealing.gov.uk)

We hope you find these planning lists useful and welcome any feedback you might have.
