SEN travel assistance is available to learners with [SEND](#) up to the age of 25. Each case will be considered individually against the following criteria:

- Ages 0–5: The Council has no legal duty to provide travel assistance to children under five, however we can provide some support to children in need or in exceptional circumstances.
- Ages 5–16: The travel assistance at the Council offers will depend on the complexity of a child or young person's needs and the distance of the journey to their place of learning

[Looked After Children](#)

[Paediatric Occupational Therapy](#)

Occupational therapists provide advice and support to parents, carers and other professionals, working across a range of settings, such as home, school and clinics. This includes:

- Improving quality of life for children and families
- Minimising barriers to participation in activities
- Reducing the impact of disability
- Promoting independence and self-management.
