## Resources, lesson plans and ideas

[Behind Closed Doors: 'Maryam and Joe: Behind Closed Doors'](#) is a new interactive social-media style simulation, a training tool on the routes to radicalisation and extremism. The simulation educates professionals and young people on the dangers of grooming for radicalisation via social media and through face-to-face contact. Through the use of our proven social media style interface (iSociallike, Hashtagged, WeTube, Picturegram, WhatsChat and Snappit) you will learn about grooming by tracking the behaviour of the groomer and seeing the implications.
