Benefits

- The council has a dedicated pupil support team and an online database system for verifying eligibility for benefit-related free school meals.
- This system is directly integrated with the Department for Work and Pensions (DWP) and His Majesty's Revenue and Customs (HMRC) databases, ensuring that eligibility status is updated weekly. This allows for real-time recognition of any changes in household circumstances.
- Schools are able to access pupil information regarding free school meal eligibility and can apply on behalf of parents.
- This service provides schools with an efficient and accurate method for assessing eligibility, which is directly linked to pupil premium allocations.
