Benefits

Support to obtain best value for money in your procurement activities.

Additional / buy back services

- Commercial consultancy services to analyse your third party supplier spend in order to identify cashable and non-cashable efficiencies
- Training to ensure those involved with contracts have the necessary skills to either commission let or manage them so as to drive best value for money
- Annual checks on your suppliers to ensure they are still financially sound, reducing the risk to the school through advanced warning of supplier failure
- Corporate contracts for goods and services such as stationery and energy incorporate heavy discounts and preferable terms that reflect the purchasing power of the council and the wider public sector (use of and access to these services is free).
