Fixed Penalty Notices

<u>National Threshold</u>: Under the new framework, all schools must consider issuing a fine when a child has missed 10 or more sessions (equivalent to 5 days) for unauthorised reasons. Within a rolling period of 10 school weeks. Sessions do not have to be consecutive.

Ealing's Fines Protocol has been reviewed and will be published over the summer. The protocol will outline Ealing's expectations for whether a penalty notice is the best available improvement tool that is most likely to change behaviour and improve attendance for the family and where not appropriate, what support should be considered.

<u>Fine Amount</u>: Starting from August 19 2024, the fine for unauthorised school absences across the country will be: £80 if paid within 21 days £160 if paid within 28 days

<u>Repeat Offences</u>: If a parent receives a second fine for the same child within any three-year period, it will be charged at the higher rate of £160. Parents can receive a maximum of two fines per parent, per child within this period.

In September, please prioritise fines requests for leave taken before 19 August. These will be issued at the current rate (\pounds 120) and should be submitted **no later than October half term**. Where leave is taken both sides of the summer holiday, fines will be issued at the current rate.

Changes to Gateway

From September referral forms for Attendance/CME/CMOE will be embedded in Gateway. 'Leavers' will also be reported via Gateway, removing the requirement for 'Leavers and Joiners' returns.

There will be some changes to the way that fixed penalty notices are requested in Gateway in line with Ealing's revised fines protocol. Full Gateway guidance will be published in September.

Toolkits

Toolkits for attendance, CME and CMOE will be updated over the summer and available on egfl from 1 September.
