For families  
with disabled children

# UNDERSTANDING LEARNING DIFFICULTIES & SUPPORT

Is your child struggling with reading, writing, or maths? This workshop is designed to help parents and carers understand Learning difficulties such as Dyslexia and Dyscalculia, and how to support their children effectively at home and in school.

## What You Will Learn:

- What are Dyslexia and Dyscalculia? ●
- Practical Strategies for Home Support ●
- Working with Schools ●
- Available resources and support ●

## Our guest speaker:

Ms Alison TOWER

Accredited learning difficulties teacher (ATS)  
and SENCO of Lady Margaret primary school.

Join us for a hands-on workshop where you'll learn practical strategies to better support your child's learning needs. Leave with tools, resources, and the confidence to help your child thrive!

AT 10 AM

30 JANUARY 2025
