

Primary Outreach Lead - Supporting Scientific Enquiry in Primary Schools

The Teach West London Teaching School Hub is committed to the development of confident professionals through collaboration. It is focused on defining, developing and sharing curriculum expertise to ensure student outcomes are consistently high across the borough.

ELP and Teach West London are looking to recruit outstanding professionals with extensive experience of developing and delivering scientific enquiry at KS2 to collaborate with secondary school colleagues

This is a 1-year development role in the first instance. If you are interested please complete an application and email it to: **info@teachwestlondon.uk** by **15:00 on Friday 22 November 2024**

Commitment

- Collaborate with partner secondary school to review scientific enquiry practices at KS2
- Attend regular planning and monitoring meetings with partner secondary school
- Share outcomes of collaboration with other primary schools throughout the year

Rewards

- Excellent professional development - a great addition to your CV
- Reciprocal sharing of good practice
- Satisfaction of having a positive impact on outcomes for all students in Ealing
- School receives £300 towards cover costs

If you have any questions about the role, please email Teach West London at
