## 1. Charanga Musical School licence – worth £395

**Charanga Musical School** is an award-winning music resource. This cloud-based platform combines music content, modern teaching methods, and educational technology to support all aspects of music in schools, including the new music curriculum. It also provides opportunities for children and their families to continue learning and exploring music at home through **Music World**.

### Key features:

- **Comprehensive curriculum support:** Includes the UK's leading scheme for teaching the National Curriculum for Music at KS1–2.
- **Flexible schemes of work:** Week-by-week lesson plans that can be customised or used as they are.
- **Extensive resource library:** A vast collection of songs, ready-made lessons, and teaching materials.
- **Inclusive Education:** Support for assessment, special needs education, and personalised learning.

### Benefits of the Musical School Licence:

- **Unlimited teacher access:** Individual access for as many teachers in your school as needed.
- **Student access to music world:** All children in your school can access Music World for online learning.
- **Enhanced instrumental programmes:** Ideal for whole class instrumental programmes, enhancing children's achievement through quality ensemble work.

For more information, visit [Charanga's Musical School programme](#).

## 2. School music health check visit – worth £250

**Music support visit** offers an invaluable opportunity to enhance your school's music education. This service includes:

- **Two-hour school visit:** A comprehensive visit by a member of the EMS SLT to undertake a musical health check. This involves a thorough review of your music curriculum, assessment methods, and extra-curricular opportunities. The review aligns with Ofsted expectations and includes actionable points for development.
- **Detailed report:** Following the visit, you will receive a report outlining findings and recommendations.

A **musical support visit** offers several benefits for schools looking to enhance their music education programmes:

1. **Comprehensive review:** It provides a thorough evaluation of your music curriculum, assessment methods, and extra-curricular opportunities.
2. **Alignment with Ofsted expectations:** Ensures that your music programme meets the standards and expectations set by Ofsted, helping you stay compliant and prepared for inspections.
3. **Actionable recommendations:** Offers clear, actionable points for development, helping you identify areas for improvement and implement effective changes.
4. **Enhanced student experience:** By improving the quality and breadth of your music education, you can provide enriching and engaging experiences for students.
5. **Professional support:** Gain insights and support from experienced music education professionals, helping you leverage best practices and innovative approaches.

### 3. Music Mark membership – worth £100

**Music Mark membership** offers several benefits for your school:

- **Recognition of music's value:** Being recognised by your national subject association for music demonstrates that music is valued within your school. This recognition can contribute to meeting Ofsted's requirement for a broad and balanced curriculum.
- **Use of the Music Mark school member logo:** This provides evidence of partnership working with the music service or music education hub.
- **Access to exclusive resources:** Members gain access to practical resources and highlights from the latest research, created specifically by Music Mark for schools.

### 4. CPD training package – worth £250

**CPD training package** offers valuable professional development opportunities for your school's staff. Each school can send two members of staff to attend the training sessions at no cost. Additional staff members can participate on a pay-as-you-go basis.

**Comprehensive training:** I Music leads network includes Charanga training, music trolley sessions, have a go sessions, and more.

### 5. World Music Festival – 50% discount

Subject to availability

**Option A/B - primary (half day); secondary (full day) workshop**

Terms and conditions apply

EMS has been organising the [World Music Festival \(WMF\)](#) for many years, and it has consistently been a great success among schools. Initially created to introduce new and diverse types of music, the festival has evolved into a vibrant event that encourages exciting musical activities and keeps music alive in schools.

### Recent highlights:

Brazilian Samba - Hawaiian Ukulele - Human Beatbox - Indian Tabla - Indonesian Gamelan - Japanese Taiko Drumming - Junk Percussion - Trinidadian Bamboo Tamboo.

### Option B in-school music session for special schools

**One full day or two half-day in-school music session:** This tailored music session is designed specifically for special schools catering to children with special educational needs and disabilities (SEND).

#### Key features:

- **Customised sessions:** The music sessions are adapted to meet the unique needs and abilities of the students, ensuring an inclusive and engaging experience.
- **Flexible scheduling:** Schools can choose between one full day or two half-day sessions, providing flexibility to fit into the school's timetable.
- **Specialist support:** Delivered by experienced music educators who are skilled in working with SEND students, ensuring a supportive and enriching environment.
- **Interactive and therapeutic:** The sessions focus on interactive and therapeutic music activities that promote sensory engagement, communication, and emotional expression.

### 6. Instrument package – worth £250 / £500\*

Instrument package offers a selection of inspirational instruments available for long-term loan to your school. The specific types of instruments included in the package will be confirmed later. This will be a themed collection, designed to inspire and enhance your school's music education programme. \*Package and cost are dependent on theme for year and availability.

### 7. EMS event priority bookings

**EMS event priority bookings** offer a significant advantage for member schools. EMS member schools will be given priority to sign up for events, ensuring they have the best opportunity to participate in a wide range of exciting and educational musical activities.
