

EALING ALL-AGE AUTISM REFERRAL HUB

Expert by Experience Family Support

Expert by experience is the term used to describe those with lived experience of Autism and using services (Autistic person or family members) as the experts. The support is delivered via Contact Ealing and we aim to use our personal experience to help families referred for assessment in Ealing

ACCESSING SUPPORT

Let your referrer know you would like to access the service. Once you have opted in we will call you to discuss your support needs. We can offer 1:1 support and support via group sessions

HOW WE CAN SUPPORT

- Help to understand the referral, screening, and diagnostic process.
- Advice on what services/support can be accessed in Ealing or further afield with or without a diagnosis.
- Guidance and support to understand what Autism is including tips and tools that can help.
- Additional family support and access to events/workshops/coffee mornings with Contact Ealing
